Welcome To Our Company

Backed by a strong management team with more than 22 years of experience in the Singapore industry, Excel Floor Sdn Bhd is the regional marketing office for our joint-ventured factory since 2005. We are committed to highest customer satisfaction by supplying high quality laminated flooring.

Excel Floor is the sole marketer for the Eucalyptus Wood laminated flooring in Malaysia. Now we are specializing as a wholesaler and providing service supply & install laminated flooring in the residential, commercial and government projects.

Excel Floor Series panel consists of 5 layers of different materials which are heat-pressed on the top of each others. Each layer has its own specific function.

We are **certificated by:**
